

# RV/Trailer/Bus Parking

Our mountainside Zoo cannot accommodate oversized vehicle parking. This includes RVs, trailers and buses that take up more than one parking space.

## Off-site parking:

You may park in our unstaffed off-site parking lot during your Zoo visit. This lot is 5 miles from the Zoo, at 1232 South 21st Street (formerly Bear Creek Bowling Lanes - see map).

You are responsible for transportation from/to off-site parking (for example: Uber/Lyft or taxi service).

We will accommodate late entry for drivers who parked off-site.

**We appreciate  
your cooperation!**
