Indian Conglomerate Commits to Sustainable Palm Oil Use

3F Industries Ltd, one of India's prominent multinational corporations in the edible oils import and production sector, announced their commitment towards the sustainable palm oil movement last month. The company operates in more than 10 countries, importing, producing, and processing 200,000 metric tonnes of palm oil products annually. In July 2018, they have completed their first purchase of 1100 MTs of RSPO certified palm oil products.

In a meeting with RSPO India representative Kamal Prakash Seth, 3F Industries Ltd shared their vision to promote, popularise, and encourage the use of RSPO certified palm oil with their clients. Kamal expressed his excitement in seeing such a positive initiative from an Indian conglomerate, making a pledge for sustainable palm oil, and the commitment to invest in a sustainable future, together with 3F Industries Ltd's stakeholders.
