

# **Cheyenne Mountain Zoo**

## **Tuberculosis Testing of Volunteers**

**All volunteers are required to have a written record of a NEGATIVE TB test or X-ray on file BEFORE their first day of work for the Zoo. If you have had a test within 12 months, please provide those results.**

1. Go to **El Paso County Health Dept. at 301 S. Union Blvd.** (no appt. needed) on **Mondays 11:30 to 1:00 and 4:00 to 5:30 or Tuesdays 7:30 to 10:30**
2. Identify yourself as a new CMZ volunteer.
3. **Return to the Health Dept. the following open clinic day during specified hours** to get documentation of test result.

The cost is \$20.

If you have any questions call the El Paso County health Dept. at 578-3220 or check out the website at <http://www.elpasocountyhealth.org/pages/TB.aspx>.

**TB testing is REQUIRED for all volunteers. You are welcome to have the TB test done elsewhere, at your cost, as long as acceptable documentation is provided to the Zoo.**

Thank you for your help with this critical part of the Zoo's Preventative Health Program!
