

Zoo for All Fund Scholarship Application

Cheyenne Mountain Zoo

Organizations requesting scholarship funding for admission to the Zoo must be a nonprofit tax exempt 501(c)(3) providing services to families in need in the Pikes Peak Region. An emphasis will be placed on organizations providing preventative services to help strengthen families. Political groups and sports teams are not eligible to apply to the *Zoo for All Fund*.

To apply, please fill out this application completely (or your application will not be considered) with detailed information. Please note that we do have a limited number of passes available each year. In some cases the award may be smaller than the amount originally requested so we can accommodate a wider variety of audiences. **Please only ask for the number of tickets you need. (Additional requests will only be considered once all previous awarded tickets have been used.)**
