Dear Mr. Patricio,

Thank you for applying to join the Roundtable on Sustainable Palm Oil (RSPO). That is a very good way to start helping orangutans and other animals that live in the rainforest. I am also writing to ask you to be sure that all of the palm oil you are using is only 100% physical certified sustainable palm (CSPO) oil that is **deforestation-free**. I like Kraft foods but I want to know that making these foods does not hurt orangutans, elephants, rhinos, tigers and other animals in SE Asia.

Sincerely,
