#### Why Advance Tickets?

We are requiring you to get advance tickets, because popular days and times are subject to selling out. We are working to provide our guests with the best possible experience, which we believe includes avoiding overcrowding and off-site shuttles/parking. By restricting the number of tickets sold per time slot, you can park onsite and have more time to spend in the Zoo. Requiring advance tickets also prevents disappointment if you arrive at the Zoo without tickets on a sold-out day. During some peak times, you may experience delays in getting into our lot, so please be patient. From previous experience, our longest waits for on-site parking are still less time than it takes to shuttle back and forth from off-site parking, which we used to have to require.
